

Fellow researchers in the Dutch Caribbean, to expand our reach and achieve our [goals](#), we need your help!

We are looking for persons residing in the Netherlands, Aruba, Bonaire, Saba, St. Eustatius and St. Maarten wanting to join our executive board. Your role as executive board member would be to form the bridge between our work in the Netherlands and local experts on the island. You will be the local representative of CARAF supported by committee members that will assist you in order to get the job done. This is a very crucial role, with your cooperation we can get a better lay of the land by getting the correct information across in the least amount of time. Your role as an executive board member will also enable us to understand and facilitate the needs regarding research and knowledge dissemination in the Dutch Caribbean. If you are interested in applying and or have any questions please send us your resume and a short motivation letter at info@carafscience.com.

Your tasks will primarily consist of:

1. Gathering updates from research professionals on the island you represent
2. Form a committee and manage meetings
3. Organize and attend events on the islands
4. Provide the board with updates regarding research that is being conducted
5. Refer interested researchers/parties to the Board of directors
